

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF DELAWARE

SENTILLION, INC.,

Plaintiff and Counterclaim Defendant,

v.

CAREFX CORP.,

Defendant and Counterclaim Plaintiff.

Civil Action No.: 06-013 (SLR)

JURY TRIAL DEMANDED

UNOPPOSED MOTION TO AMEND SCHEDULING ORDER

Plaintiff and Counterclaim Defendant Sentillion, Inc. ("Sentillion") respectfully requests that the Court modify the Rule 16 Scheduling Order entered by the Court on May 30, 2006 (the "Scheduling Order") (D.I. 16) in two respects: (1) to move the deadline for the completion of document production from November 1, 2006 to November 22, 2006, and (2) to move the in-person discovery status conference currently scheduled November 2, 2006 to a time after November 22, 2006 that is convenient to the parties and Court. Defendant and Counterclaim Plaintiff Carefx Corp. ("Carefx") does not oppose the relief sought herein. Sentillion makes this motion for the following reasons:

1. The Scheduling Order currently provides that the parties will complete document production on or before November 1, 2006. *See* D.I. 16 at ¶ 2(b)(1). It similarly provides that an in-person discovery status conference shall take place on November 2, 2006 at 4:30 p.m. *See id.* at ¶ 2(f)(1).

2. The parties are currently in the process of completing document production. Sentillion has learned that it will need additional time beyond November 1, 2006 in order to complete its document production. Sentillion informed Carefx of Sentillion's need for additional

time, and Carefx agreed not to oppose Sentillion's request for three additional weeks to complete document production. The parties have agreed to produce documents on a rolling basis until production is complete, including a substantial volume of documents on November 1. Sentillion therefore respectfully requests that paragraph 2(b)(1) of the Scheduling Order be modified to extend the deadline for the completion of document production to November 22, 2006. The Court's granting three additional weeks to complete document production will not jeopardize the parties' ability to complete discovery in accordance with the other deadlines of the Scheduling Order, and will not affect any other deadlines in the Scheduling Order.

4. Should the Court grant this motion and extend the deadline for the completion of document production to November 22, 2006, Sentillion further respectfully requests that the in-person discovery status conference currently scheduled for November 2, 2006 be rescheduled for a time convenient to the parties and the Court after November 22, 2006. To the extent the discovery status conference is intended to address any issues relating to the parties' document production, Sentillion submits that those issues will be best addressed following the completion of document production. Carefx does not oppose this request.

WHEREFORE, for the foregoing reasons, Sentillion respectfully requests, and Carefx does not oppose, that the Court enter its proposed form of Order attached hereto.
